To Whom It May Concern:

EZ Worldwide / UBX express have been highly recommended by our business partners. We knew from the very first, after speaking with our Account Representative, Meenu Kapur that we were in safe hands. From Flexible pick up's, Attentive & Friendly Customer Service to Big Reduction in Shipping Cost.

Meenu Kapur, has always made to her best effort to guide us with our shipment, returning phone calls & emails in a promptly manner. She has held our hands & walked with us step by step keeping our dreams fulfilled.

We urge you to explore the many services that EZ Worldwide / UBX express & Meenu Kapur have to offer & can confidently say you will not be let down. Our only downfall was, had we've only known that EZ Worldwide does things so easy. We would've have worked with them long before.

We thank you EZ Worldwide / UBX Express & Meenu Kapur for making things impossible possible.

Keep up the great work!!

On behalf of,  
Keenwin Textiles Ltd.
